

NLS

```
graph BT; A[it.isislab.masonassisteddocumentation.visitor.Messages] --> B[NLS];
```

A diagram showing a dependency. A light gray rectangular box at the top contains the text "NLS". A dark gray rectangular box at the bottom contains the text "it.isislab.masonassisteddocumentation.visitor.Messages". A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box.

it.isislab.masonassisteddocumentation.visitor.
