

Serializable

```
graph BT; A[it.isislab.masonassisteddocumentation.ODD.ProcessOverviewAndScheduling] --> B[Serializable];
```

A UML class diagram showing an inheritance relationship. A white box labeled 'Serializable' is at the top. A blue arrow points upwards from a grey box below it. The grey box contains the text 'it.isislab.masonassisteddocumentation.ODD.ProcessOverviewAndScheduling'.

it.isislab.masonassisteddocumentation.  
ODD.ProcessOverviewAndScheduling
