

Serializable

```
graph BT; A[it.isislab.masonhelperdocumentation.ODD.Variable] --> B[Serializable];
```

A UML class diagram illustrating inheritance. At the bottom is a gray rectangular box containing the text 'it.isislab.masonhelperdocumentation.ODD.Variable'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box at the top containing the text 'Serializable'. The arrow's shaft is blue, and its head is a solid blue triangle pointing towards the 'Serializable' box.

it.isislab.masonhelperdocumentation.
ODD.Variable
